Help us to keep our priorities straight in all the issues that we face today.

Lord, these folks are tired. They have worked hard these past thirty days. My prayer for them is that they might be fresh of mind and body to finish this job today. And, if they have to come back for another special session, that they might have the simple energy to continue to do what we have called on them to do.

In our Lord's name we pray. Amen.
